

ARRIVAL

You can access your private box or table in the restaurants from the time that gates open. Whilst there is not a set mealtime, most guests tend arrive promptly to make the most of their day with us, and aim to enjoy at least one course pre first race. If you have any specific timing requests, please do discuss with our team in advance and we will do our best to accommodate wherever possible.

ADMISSION TICKETS

Admission tickets are sent via email upon receipt of full payment. These can be printed and bought with you on the day, or scanned on a smart device upon arrival. Please note that Plumpton Racecourse does not operate a collection point, and failure to present your admission ticket may result in purchasing an admission ticket on the gate.

CAR PARKING

Parking is complimentary and plentiful here at Plumpton. We have two car parks available, one via our Main Entrance and one in the centre of the racecourse on our large grass car park, accessible via the entrance close to the railway crossing.

CASH

We accept cash on our entrances, concession units, bars and betting facilities. A cash machine is located in our Paddock Bar, on the ground floor of the Sussex Stand.

DRESS CODE

There is no formal dress code at Plumpton Racecourse. As we race primarily through the winter months, we are used to racing in all conditions and recommend you check the weather forecast to ensure you are appropriately dressed. However, if you are dining in our Hospitality Suites or either the Paddock or Final Fence restaurant, we recommend smart casual attire. Jeans are permitted.

ACCESSIBILITY

Please politely note that our hospitality boxes and Paddock Restaurant are located on the first and second floors of our grandstands, and regrettably we do not have an internal lift. For those who may require some assistance in reaching their box, we do have stannah chair lifts available at the foot of the Lewes and Southdown Grandstands. Please contact us to discuss accessibility if you are concerned.
